WHAZZUP? COMMENTS FROM THE MAYOR

I have been on a conference call with our Scott County Coalition and they are doing a wonderful job keeping us up to date with situations what arise in our area. We will share important information we receive from the Coalition once it is approved for press release. They are stressing that staying at home as much as possible is the best practice.

We are open at City Hall, but we ask you leave any messages or payments through the drop box as we have the door locked as all of our county and local governments observe the distancing practice.

City meetings are all postponed except emergency meetings with under 10 people. I am working on the Council meeting for April with a focus on approving bills and the emergency tower plan from Scott County. There is a good possibility that it won't be a normal meeting, and we will keep the community up to date.

Kevin Kernan, Mayor
