WHAZZUP? COMMENTS FROM THE MAYOR

Scott County, as you know, has not been not been approved for business reopening as yet. The Governor is still stressing that staying at home as much as possible is the best practice.

We are open at City Hall, but we ask you leave any messages or payments through the drop box as we have the door locked as all of our county and local governments observe the distancing practice.

City meetings are all postponed except emergency meetings with under 10 people. I am working on the Council for a meeting tentatively scheduled for May 21st. The place has yet to be determined.

Meanwhile, the Census forms are being sent through the mail. Please be sure to fill them out and return them. Last census some of our citizens did not fill them out and it effected our road use money, as well as other city

functions. Over a ten-year period that is a significant amount.

Kevin Kernan, Mayor
